REAL ID
SAFE. SECURE. SMART.

GET THE REAL DEAL ON THE CALIFORNIA REAL ID.

Beginning October 1, 2020, state residents must present a federally-compliant REAL ID driver license or identification card for domestic air travel or to enter secure federal facilities, such as military bases, federal courthouses, and other secure federal locations. The California DMV will present about the new federal requirements and answer questions about getting a REAL ID. Admission is free and open to the community.
