2020 'Oughta Be A Law' Program

Submission Form

Submission deadline is January 15, 2020

Have you ever noticed a problem in our society that you think a law might be able to fix? Now's your chance to share your idea! Your ideas for how to improve California may just end up becoming a new state law.

Proposals can be big ideas like a new state agency, or small changes to the law that make a big difference in your neighborhood - it's totally up to you.

On a separate sheet, please provide your contact information and answer the following questions, attaching any supplementary documents to support your proposal. Then, you can either scan it all and email it to Assemblymember.BoernerHorvath@assembly.ca.gov or mail it to my District Office at 325 Carlsbad Village Drive, Suite A-2, Carlsbad, CA 92008. If you have any questions about the process, you can call my District Office at (760) 434-7605.

1. What's the problem you'd like to seem addressed with a new state law?

2. How would you go about solving it? If you have a rough idea of what the language of the bill should look like, please attach. Make sure to be as thorough as possible.

3. BACKGROUND INFORMATION: Please include any studies, reports, existing laws, articles, or anecdotes that demonstrate the need for this change or the efficacy of similar solutions in other states or countries where it has been implemented.

4. Are you aware of any similar legislation previously introduced in California or in other states? If so, please include the author, bill number, and outcome of the legislation.

5. Please describe any fiscal impacts (costs, savings, new forms of revenue, or lost forms of revenue) you expect the state might incur as a result of this bill

6. Who do you think would be in support of the bill?

7. Who do you think would oppose it?

8. Would you be willing to organize fellow constituents who may be willing to join you in support of this proposal?
